

**PRACTICE
FIRE SAFETY...**

KNOW

**2 WAYS
OUT**

- Make a map of your home that shows 2 ways out of each room. These are usually a door and a window.
- Pick a place outside where everyone should meet if there's a fire.
- Practice how to escape from each room and get outside.

If there's a fire...

- Get out fast! Don't stop to take anything.
- Crawl low under smoke.
- Once outside, go to your family meeting place.
Never go back inside a burning building!
