#### **Chatham County Police Department Calls In FBI to Assist in Search for Missing Pre-Teen Christina Cochran**

*Cochran Considered to be in Grave Danger*

**Chatham County, GA (May 25, 2021)**—The Chatham County Police Department has called in the F.B.I to assist in the search for 12-year-old Christina Cochran, who has not been seen since May 17, 2021.

Cochran is believed to be a runaway, but she is considered to be in grave danger. None of her family members who live in the area have seen her since 7 p.m. on Monday, May 17, 2021, and repeated efforts to locate her and confirm that she is safe have been unsuccessful.

Detectives say anyone who knows where she is, or who is keeping Christina from being returned needs to call 9-1-1 immediately to arrange for law enforcement to take her to safety.

Christina is a black female who is approximately 5'4 and weighs 140 pounds. She was last seen in the 5100 block of Garrard Avenue around 7 pm on Monday, May 17, 2021.

Christina was last seen wearing a pink and black shirt with flames, jeans with green lettering down the sides, and a long pony tail. She should also have a pink backpack and Nike shoes.

She could possibly be in the areas of Garrard, Westlake, or Savannah Gardens.

Please call 9-1-1 if you have any information about Christina's whereabouts. If you have information that might help police find Christina, you can also call Crime Stoppers anonymously at 912-234-2020.
