Chatham County Police Investigating After Body Found

Chatham County, GA (July 13, 2020) – The Chatham County Police Department is investigating after a body was found in a wooded area this morning.

The body was discovered [around 8:30 a.m.](#) by a landscaping crew in a wooded area behind two businesses in the 5900 block of Ogeechee Road. Detectives say the body appears to have been there for some time. The preliminary investigation indicates that the deceased is a white male, and it has not been determined whether foul play is involved. An autopsy will be conducted to gather more information.

Anyone with information is encouraged to call Chatham County Police at [912-652-6920](tel:912-652-6920).
