Chatham County Police Department Investigating Aggravated Assault Case

Chatham County, GA (February 19, 2021) – The Chatham County Police Department is investigating after an early morning altercation sent two people to the hospital.

Officers were dispatched to an address in the 100 block of Mapmaker Cove this morning. When they arrived, they found one male suffering serious injuries and one female suffering non-life threatening injuries.

A third person, 36-year-old Mark Anthony Le was arrested at the scene and charged with two counts of felony aggravated assault and one misdemeanor count of 3rd degree cruelty to children. The cruelty to children charge stems from the fact that children were present when the incident occurred.

Detectives say all of the parties involved knew each other, and that this was not a random incident.
