### **Area Law Enforcement Agencies Partner for “Coffee with a Cop” Event This Weekend**

**Chatham County, GA (May 13, 2021)** – The Chatham County Police Department, Chatham County Sheriff’s Office, and the Savannah Police Department are partnering for a “Coffee with a Cop” event on Saturday, May 15, 2021.

The event will be hosted by Black Rifle Coffee Shop at Nine Line Apparel, which is located at 450 Fort Argyle Road in Savannah, from 9:00 a.m. until 11:00 a.m. Saturday.

“Coffee with a Cop” is a relaxed way for residents to meet some of the law enforcement officers who patrol their community, and discuss any questions or concerns they may have. Unlike a formal community meeting, residents can simply drop in when it is convenient, grab a cup of coffee, and talk as long as they would like about the issues that matter to them.

Officers from the Savannah Police Department, Chatham County Sheriff’s Office, and Chatham County Police Department will be on-hand at Saturday’s event, which will give residents the chance to meet and talk with officers from three of the agencies responsible for law enforcement in Chatham County.
