Chatham County Police Department Investigating Shots Fired Incident

Chatham County, GA (February 15, 2020) – The Chatham County Police Department is Investigating a shots fired incident that occurred around 6 p.m. this evening on Chief of Love Road.

When officers arrived to investigate the report of shots fired, they found one vehicle that had been involved in an accident. The two occupants of the vehicle were injured, but officers confirmed neither had been shot. Both were transported to the hospital, and the seriousness of their injuries is not known at this time.

Officers did find shell casings in the area, and detectives are now investigating to determine the circumstances that led to the shots being fired, and the vehicle accident.
