Chatham County Board of Commissioners to Host Topping Out Ceremony for Multi-Agency Public Safety Facility

For Immediate Release

Chatham County, GA (August 16, 2026) - The Chatham County Board of Commissioners will hold a topping out ceremony for the Multi-Agency Public Safety Facility (MAPSF) at 10 a.m. on Thursday, August 20.

The ceremony will include Commissioners signing a beam that will become a structural component of the building. This ceremony is open to the public, and media is invited to attend.

The 83,000-square-foot MAPSF building, located at 654 Gulfstream Road, will be built to withstand Category 5 hurricane conditions, ensuring it can remain operational during the most severe storms. This level of durability will allow public safety teams to continue serving residents when they are needed most. Once complete, the building will house several critical services under one roof, including the Chatham Emergency Management Agency (CEMA), E-911, and other public safety departments.

The site is strategically located near the Savannah/Hilton Head International Airport and Gulfstream, placing key services closer to one of the County's fastest-growing areas.
