2020 Census Extended to October 5, 2020

September 30, 2020 —The 2020 Census has been extended to October 5, 2020. There are only five days left to take the 10-minute survey that will positively impact our community for the next 10 years. Residents that have not filled out their 2020 Census may do so online, by visiting My2020Census.gov or call toll free at 1-844-330-2020.

Responding to the 2020 Census is easy, secure, and vitally important. The 2020 Census will determine the number of seats each state has in the U.S. House of Representatives. The Census also influences the amount of funds available for critical public services like emergency response, schools, hospitals, public benefits, roads and bridges in our community. For every 1,000 residents that go uncounted in Chatham County equates to a loss of \$2.3 million for our community every year.
