NOTICE TO THE PUBLIC – CHATHAM COUNTY BOARD OF ELECTIONS

On April 25th the Chatham County Board of Elections was made aware of an issue with the absentee ballots for the June 9th, 2020 Presidential Primary and Nonpartisan General Election. The 7th District School Board race was not included in the initial mailing of absentee ballots sent out to voters in the 7th District. The issue was corrected and beginning on April 27th ballots being mailed out to voters included the 7th District School Board race. Affected voters in the 7th District who received absentee ballots in this initial mailing will be sent replacement ballots in coordination with the State of Georgia on Monday, May 4th. All new and replacement ballots have a yellow header and include further instruction from the State of Georgia.

Absentee ballots received by 4th District voters included the 7th District School Board race. All 4th District ballots will be counted, but any votes marked for the 7th District on 4th District ballots will not be counted. This issue was corrected on April 27th as well, and all ballots mailed after this date will not include the 7th District race. The 4th District School Board race is not part of this election and is not included on the ballot. All other ballots were unaffected.
