For Immediate Release

Betz Creek Culvert Replacement Project on Penn Waller Road

Chatham County, GA (May 20, 2024)- Chatham County hired a contractor to replace the existing, deteriorated box culvert on Penn Waller Road at Betz Creek. The replacement requires that Penn Waller Road be closed to traffic between Port Royal Drive and North Sheftall Circle for the duration of the project. The contractor plans to close Penn Waller Road to traffic on May 28, 2024 and re-open the road August 1, 2024.

WHAT:

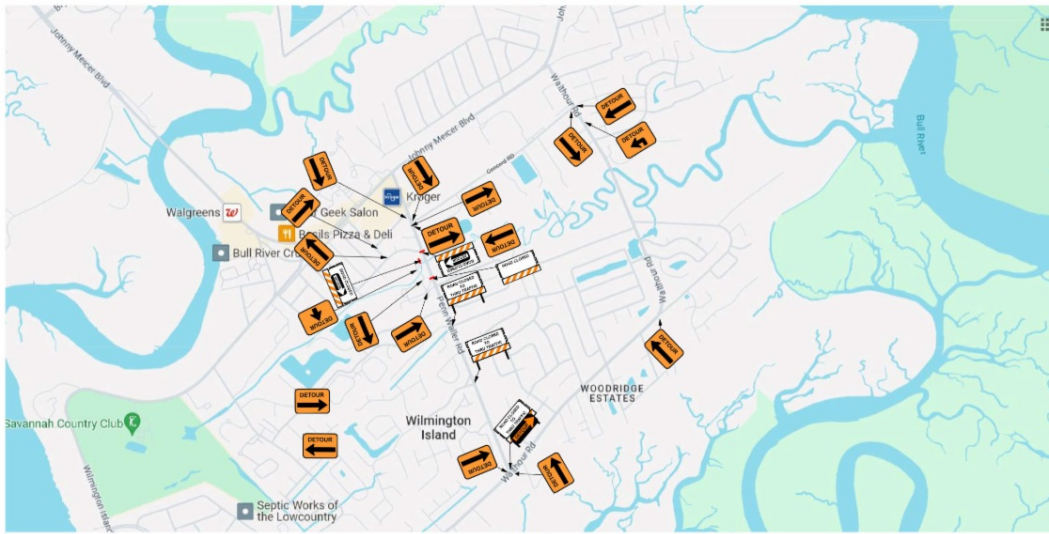

Penn Waller Road closed to traffic between Port Royal Drive and North Sheftall Circle

WHEN:

Close on May 28, 2024 and re-open August 1, 2024

Additional details:

The project will replace the existing box culvert and construct a new sidewalk to provide connectivity to the existing sidewalks on Penn Waller Road. Detour signs will be placed to divert traffic around the closure in accordance with the attached detour plan. Any questions regarding the project or the closure can be directed to the Chatham County Department of Engineering at (912) 652-7800.
