Temporary Suspension of County Little League Activities

Chatham County, GA (March 13, 2020) – The Chatham County Parks and Recreation Department, under the guidance of Little League International Baseball/Softball, is temporarily suspending all county little league activities until April 6, 2020 as a precautionary measure to keep our community healthy and safe.

While each community is being affected differently, the Little League International Baseball/Softball Board of Directors feel that it is in the best interest of volunteers and participant families to delay the implementation of the Little League season to begin no earlier April 6.
