## LETTER FROM THE DIRECTOR

As we prepare for another important election season, I want to take a moment to thank you for your continued commitment to civic engagement. Voting is one of the most powerful ways we, as citizens, can make our voices heard—and our office is here to ensure that every eligible voter can do so securely and conveniently.

Our team has been working diligently to provide accurate, accessible, and transparent services for all Chatham County voters. This includes maintaining up-to-date voter rolls, processing applications, training poll workers, and preparing for both advance voting and Election Day operations. We are also enhancing outreach efforts to ensure every voter is informed about key dates, identification requirements, and voting options, whether in person, by mail, or during advance voting.

I encourage each of you to check your voter registration status, confirm your polling location, and make a plan to vote. By preparing early, you help us keep lines short and the process smooth for everyone.

The right to vote is both a privilege and a responsibility. Together, we can ensure that elections in our community reflect the voices of all who participate. Thank you for your trust and support.
