Public Service Announcement: Absentee Ballots Mailed October 15

The Chatham County Voter Registration Office was made aware that some absentee ballots mailed on October 15, 2025, have not yet been received by voters who requested them. These ballots were mailed by the third-party printing vendor and entered into the U.S. Postal Service (USPS) system on that date.

Our office is actively working with the U.S. Postal Service to ensure the delivery of the affected ballots. To ensure that every voter receives a ballot in a timely manner, a second ballot was mailed to all affected voters on October 22, 2025.

Our office takes this opportunity to emphasize that the State of Georgia ballot tracking system only allows one vote to be cast for each voter, so any voters who receive more than one ballot should only complete and return one ballot.

For questions or to confirm your ballot status, please contact the Chatham County Voter Registration Office at 912-790-1520 or email voter@chathamcounty.org.

We appreciate your patience and understanding as we work to ensure that every voter has the opportunity to cast their ballot securely and on time.
